YIP CIDER

MICRO WEDDING

*Tie the knot at one of New Brunswick's most
popular cider house.*

INTRO DUCTION

Micro Weddings are pre planned days where I am able to marry 4 couples in one day and split the cost evenly between everyone to offer an affordable wedding without cheapening on the services.

Each space will hold and feed up to 40 guests and the 10 minute ceremony will be what starts off your time. Your 2 hour time at the venue will be captured by Alyssa Hayes Photography. Freddy photo booth will also be there to take prints & there will also be an audio guest book for people to leave the newlyweds a message.

You will then be open to graze on Jeremiah's catering from the SJ market- and you even get to choose between food options as well to make it more personal. To top it off we also have a 2 night rustic honeymoon stay at La Belle Cabane.

There will be 4 time slots on each day, each has 2 hours to use the decorated venue space. Each time slot takes approximately 4 hours to complete all of the planned events from the day from the ceremony to the couple portraits. Please note that in event of rain there will be different start times to accommodate more indoor time.

DESIGN

The space will be setup for an outdoor ceremony at the venue, and have tables set up in the dome for the reception time. In the event of rain we would do everything inside, There will be a greenery wall with the Apple of my eye LED sign, there will be harvest tables setup similar to the ones below thanks to NWE Events, along with cocktail tables by the bar area in the dome. Each space gets a customized sign welcoming you to the space.

This will be a white and black classy theme which is an amazing backdrop for whatever colours and florals you choose for your bouquet, cake & boutonniere. We also have time to add in speeches, or a first dance if you would like as well, which we mention later on in our mockup itinerary.
